

FOR THE
ONE.

A NOTE FROM JON

For 20 years, Christ's Church has been guided by one constant value: Jesus is the one thing that drives everything. Because of that belief, it has always been our deepest conviction to make room for "one more."

Those convictions have shaped every step we've taken. They've led us into new opportunities, inspired bold prayers, and moved us to sacrifice so that every person who walks through our doors is welcomed, loved, and given the opportunity to discover the full life that Jesus offers.

Because God is still on the move, once again He's inviting us into something new. In response to God's leading, we're stepping into a two-year discipleship journey and generosity initiative called For the One.

For the One is about helping every person participate in God's mission by welcoming the one who is coming, investing in the one who is growing, and empowering the one who is being sent.

This is about much more than a building or a campaign. It is about people. It is about the one person who is far from God. The one family that needs hope. The one child who needs to know they are loved. The one neighbor who is searching. The one person who may walk through our doors wondering if there is a place for them, and discovering that Jesus has been pursuing them all along.

The prayer at the center of it all that I'm inviting you to pray is: "God, do more in me so You can do more through me?"

As God does new work in us and changes us, he will continue changing His church.

As He changes His church, He'll continue changing Camden County.
One person.
One family.
One story.
One life at a time.

Let's all move forward together...
For the One

WHERE WE ARE GOING

PRIMARY GOAL = 100% ENGAGEMENT

WHAT WILL GOD DO IN US?

Our prayer is that every person who calls Christ's Church home would experience a renewed passion for what God wants to do in us and through us. For The One is an invitation to let God awaken our hearts so that everyone does something.

SECONDARY GOAL = \$8M

WHAT WILL GOD DO THROUGH US?

Over the next two years, every gift directly sustains our ongoing ministries and budget while funding \$4 million toward our \$8 million expansion projects: expanding physical facilities, launching key initiatives, and reaching "the one."

THE PILLARS

For The One is a two-year discipleship journey focused on helping every person participate in God's mission: welcoming the one who is coming, investing in the one who is growing, and empowering the one who is being sent.

THE ONE WHO IS COMING

Expanding capacity and removing barriers so the person yet to come finds a seat at the table: more auditorium seating and expanded connecting space.

THE ONE WHO IS GROWING

Renovating for a growing kids ministry and launching an accredited Christian school in Camden.

THE ONE WHO IS BEING SENT

Equipping every person to live on mission, reaching "our one" where we live, work, study, and play; and preparing our military servicemen and women who will be redistributed around the world.

YOUR NEXT STEPS

We're asking you to join us on a discipleship journey with God to take the largest step of generosity you've ever taken, as we move together to take the largest step of faith we've ever taken.

WHAT CAN YOU DO NEXT?

PRAY

Ask God to awaken your heart and reveal how He is inviting you to participate in this season. Pray that He would multiply our efforts to make disciples, make an impact for His Kingdom, and do what only He can do.

ENGAGE

Fully commit to what God wants to do in you and through you during this season. Take a step deeper into the life of the church through community, serving, and living on mission, allowing God to develop greater commitment, vision, and generosity in you.

GIVE

Ask God to reveal what it looks like to give in a way that changes you, and respond generously as He leads. Trust Him with your resources and be willing to take whatever bold steps are necessary to advance His mission.

LEAD

Own the For The One vision and invite others to join you. Celebrate what God is doing through Christ's Church, encourage others to take their next step, and cheer them on as they respond with faith, commitment, and generosity.

WHAT IS A ONE-FUND?

One Mission. One Fund. Everyone.

A One Fund initiative creates an opportunity for everyone to participate in the same mission and take their own next step in generosity—whether you already give, are considering giving for the first time, or are simply looking for your next step. Wherever you are, there is a place for you in the mission.

Every gift becomes part of one shared fund with one shared purpose: to continue the ministries God is already using to change lives while investing in the vision He has given us for the future. Rather than separating our generosity into different funds or competing priorities, we will bring it together into a single budget, set by our leadership and shaped by the commitments we make together throughout this initiative.

One mission. One opportunity to participate. One next step for each of us.
